

TRUTH ACT FORUM TUESDAY

On **Tuesday, November 16 at 5pm** the Marin County Board of Supervisors will host its fourth TRUTH Act Forum. Please join ICE Out of Marin in demanding:

- **Sheriff oversight**
- **An end to all Sheriff cooperation with ICE**

Last year we did not attend the Forum because we had seen no action after years of packing the room and making our demands known. Despite our consistent demands, the Sheriff continues to cooperate with ICE.

This year, we return with a long list of reasons for oversight and finally, state legislation (AB 1185) which allows timid counties like Marin to set up oversight commissions.

We are also asking our Supervisors to pass a resolution in support of the VISION Act (AB 937), which will protect community members who have already been deemed eligible for release from being transferred by local jails and our state prison system to immigration detention. This bill will end our Sheriff's voluntary

cooperation with ICE.

The VISION Act takes urgent and necessary strides toward ensuring that our local and state tax dollars are not used to funnel immigrants into dangerous health conditions in immigration detention, violate Constitutional protections, and separate immigrant families and communities.
